Fundraising Policy

It is the policy of the Clinton Skating Club that each family is required to raise \$200 minimum through fundraising efforts. There are five fundraising opportunities throughout the season. Example: If a box of chicken is \$35 and you sell 6 boxes, you have completed your fundraising requirements. To find out our fundraising opportunities for this season, please click “Fundraising Information” on our website. If you don’t meet the fundraising requirement by the end of the season, \$100 CA dollars will be added to your member’s account for the following year and it must be paid in full before registration.
