Program Assistants Policy

It is the policy of the Clinton Skating Club's that all StarSkaters (Intermediate and Senior skaters) are REQUIRED to act as Program Assistants with the CANSkate session (Learn to Skate and Pre-Power groups). If you are not able to attend on your scheduled day, you must email the club clinton skating club@hotmail.com or one of the coaches ahead of time.

*Note to high school students: these hours may be tracked and qualify towards your community service hours.
